FOR IMMEDIATE RELEASE

Spectrum Macon Industries Inc. Announces New Finishing Facility

Spectrum Macon Industries Inc. announces location of new finishing facility in the Airport Industrial Park

MACON, GA, May 21, 2009

Spectrum Industries, based out of White City, Oregon, announces the location of their new finishing facility in Macon, Bibb County, GA. Spectrum Industries has leased 30,000 sf at the Economy Tire warehouse on Airport Drive and will provide value-added finishing services for manufacturing in the building industry. This project will provide an investment of \$1 million and create ten new jobs for area residents.

Spectrum Industries pre-primed and pre-finishes both wood and engineered products before going into the market place. This service allows the primary manufacturers to focus on the production of the product, while Spectrum Industries provides custom priming and finishing for customer orders. Spectrum Industries currently has 35 employees at its White City, Oregon facility. The company's primary customers include Nichiha USA, Inc., Certaineed, Bluelinx, Hallmark and Parksite.

"Macon and Bibb County, GA possesses the best tools for serving the manufacturing industry including a skilled workforce and a strong manufacturing base," said Billy Pitts, Macon Economic Development Commission Chairman. "Spectrum Industries will be a great addition to our existing manufacturing mix. We are pleased that the company will be expanding their manufacturing operations into the Macon and Bibb County area."

Jim Jackson, Jackson & Jackson Real Estate, represented the building owners in the transaction. Ryan Waldrep, Regional Project Manager for the Georgia Department of Economic Development and Jim Lovett, with Georgia Power, assisted Spectrum Industries in its location.

The Macon Economic Development Commission is the private/public partnership responsible for recruiting new business and industry to Macon and Bibb County in Georgia and for the retention of established companies. If you would like more information on economic development in Macon, please contact Patrick Topping, CEcD, Senior Vice President at 478-621-2030 or visit www.maconworks.com.
